

Plant Controlled Footwear

ATTENTION Please read **PRIOR** to entering the processing area

Please keep plant controlled footwear on this rack:

1. Please **do not** wear plant controlled footwear in the office areas

Please keep outside/office footwear in the shoe cubbies

1. If plant controlled footwear is not available, please apply shoe covers before entering the plant
2. **Sandals, open-toed shoes, heeled shoes, or Sandals** are **prohibited** from going into the plant
3. Keeping everyday use footwear out of the plant reduces the risk of tracking in dangerous pathogens such as ***Listeria monocytogenes*** into the plant.

Thank you for helping us maintain the quality and safety of our products!
